PROFESSIONAL PROFILE

Frontend developer at the early stage of building practical web-development skills, with current hands-on practice in HTML, CSS, JavaScript, Visual Studio Code, Git, and GitHub. Also brings a Bachelor's degree in English and Literature and experience across tutoring, IELTS language instruction, editing, creative direction, email marketing, and appointment setting. Combines communication, writing, content, and client-facing skills with a commitment to developing accessible, responsive, user-friendly websites.

TECHNICAL SKILLS

- **HTML & CSS:** foundational page structure and styling; learning to build responsive layouts.
- **JavaScript:** developing foundational programming and interactivity skills.
- **Tools:** Visual Studio Code, Git, GitHub, and Live Server.
- **Workflow:** cloning a repository, editing project files, previewing changes locally, and saving code updates.

PROJECT

Personal Portfolio Website — In Progress

Technologies: HTML, CSS, JavaScript, Git, GitHub

- Cloned an existing portfolio repository from GitHub and set up the project in Visual Studio Code.
- Used Live Server to preview the website locally and verify page changes in a browser.
- Began customizing the portfolio's professional identity and content; further development and deployment are planned.

Repository: View project on GitHub
